MIXED COLOURS  
*Antirrhinum*

Flowers from June-October. Good cut flower.

**WHERE AND WHEN?** Plant in Spring in a sunny spot with well drained soil.

**PLANT DETAILS:** Annual. Flowers and spreads abundantly. Will self sow.

**MAINTENANCE:** Pinch back tips to encourage bushiness and growth after 3" in height. Water and fertilize regularly. Deadhead (cut off dead flowers) during summer months to encourage reblooming in fall.
